

More Boxes from the Bottom Up

(page 1 of 3)

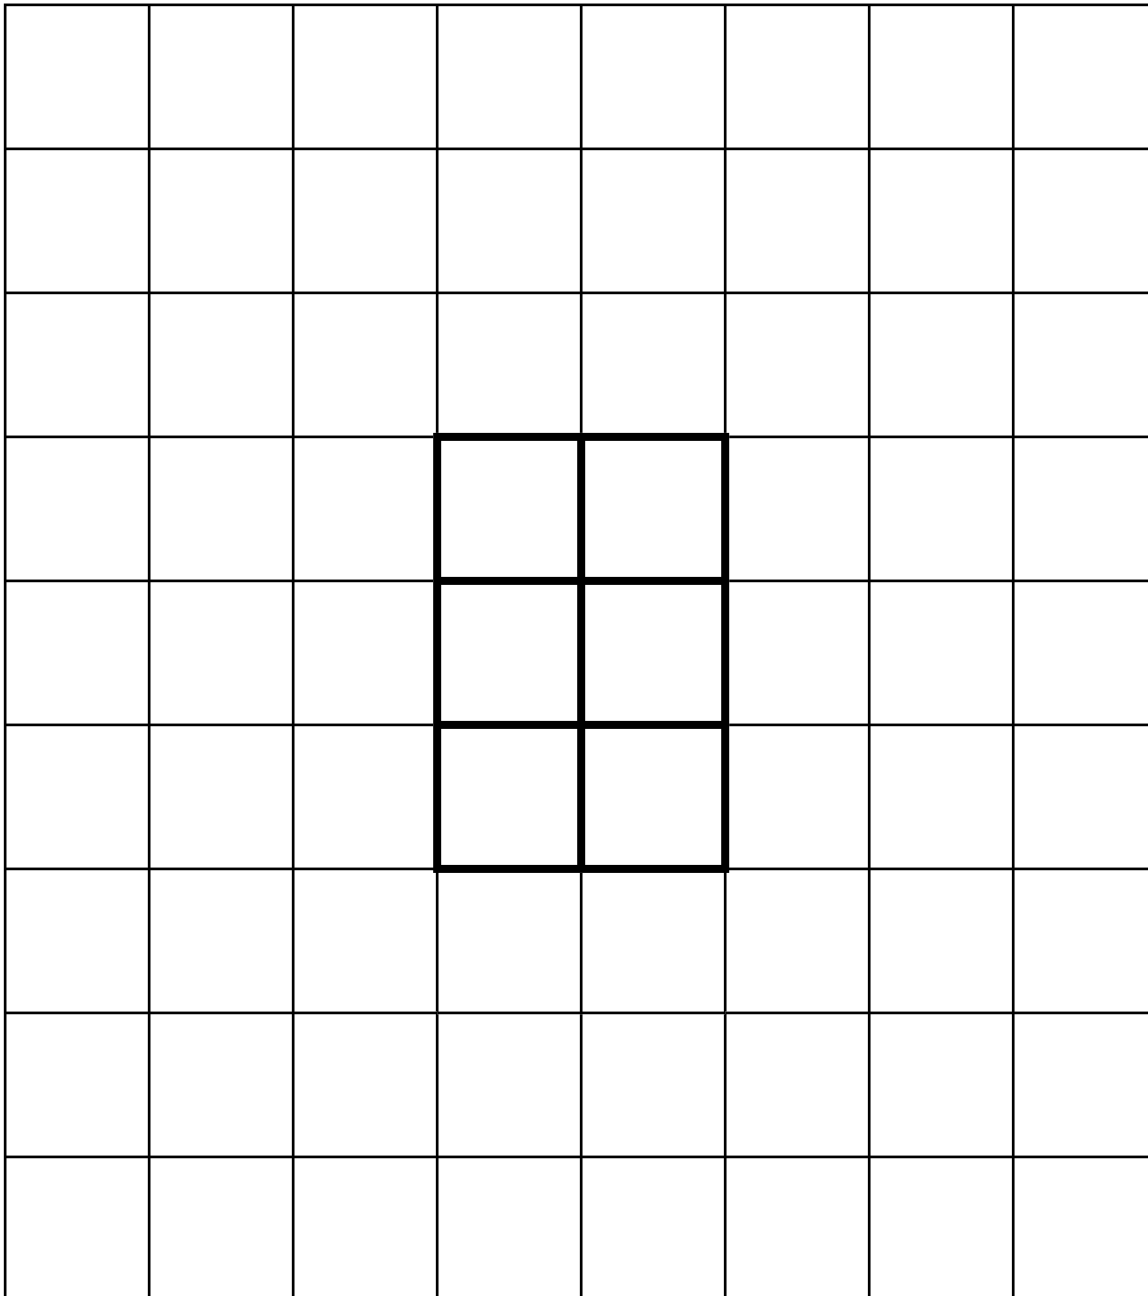

The dark squares make the bottom of a box that contains exactly 20 cubes. The box has no top. Draw the sides to finish the pattern for the box.

More Boxes from the Bottom Up

(page 2 of 3)

The dark squares make the bottom of a box that contains exactly 18 cubes. The box has no top.
Draw the sides to finish the pattern for the box.

More Boxes from the Bottom Up

(page 3 of 3)

The dark squares make the bottom of a box that contains exactly 24 cubes. The box has no top. Draw the sides to finish the pattern for the box.
