

LogoPaths: 440 Steps

Use *LogoPaths Free Explore* to make rectangles with perimeters of 440 turtle steps. Make sure some of your rectangles have sides that are not multiples of 10. If you can, make a square with a perimeter of 440 steps. Use the **Teach Tool** to name your solutions. Save your work when you're done.

Sketch at least four of the rectangles you made in the space below. Label the length of each side.
